I enjoyed this game.

I played it years ago and remembered it as one of Alawar's gems.

Now, even years later, it is still a very engrossing and fun game.

Sure, it has a lot of hogs but they are not junkpiles and the items are mainly relevant to the locales(as all the developers were 5 BN who have a wonderful rep as game developers)

It's more a light adventure than any thing and is a very well written sci fi story,

It has great voice overs and wonderful and imaginative graphics.

(plus, it has a cat ..which doesn't act cutesy but DOES give a little help )
